WISH I'D SAID THAT

"Democracy is a system under which a fellow who didn't vote can spend the rest of the year kicking about the candidates the other fellow elected"—Lois W. Matson, The Kiester (Minn.) Courier.

SAFE STORAGE!

The Butler trademark tells you so

Butler quality grain bins give you the safest, most dependable storage you can buy. They're pre-engineered that way by the men who know grain storage best. What's more, it's easy to convert a Butler bin into an on-farm drying system, if you decide to dry your own grain. Let us discuss your grain storage needs with you. Just give us a call or stop by.
