

Optional cabs on recently introduced MF 1155, 1135, 1105 and 1085 tractors tilt backward for easy access to chassis and components located under operator platform. Rubber mounted cab is roomier, quieter and more vibration-free than any previous MF cabs. Cab can be tilted out of way in about 30 minutes.

Sperry New Holland's new Model 357 grinder-mixer features an all-welded frame and tank, and an 8-inch diameter unloading auger system said to empty the tank 50 percent faster than most other models. The "357", with a 120-bushel capacity and a 21-inch hammermill, is the largest grinder-mixer made by New Holland.

Harold Endslow Dies at Age 74

W Harold B Endslow, 74-year-old Marietta R1 farmer who died Friday, had served 11 terms as president of the Lancaster County Tobacco Growers Association.

He had served several terms as president of the Pennsylvania Shorthorn Breeders Association and had been a director of the Pennsylvania Livestock and Allied Industries Association.

Long interested in a wide range of farming activities, he was a member of three people-to-people goodwill missions involving Pennsylvania agricultural experts. The missions involved tours of six European countries in 1963, six Latin American countries in 1966, and Tahiti, New Zealand, Australia and the Fiji Islands in 1968.

Watch 'em go for...PURINA!

Horses really go for Purina. Now you can choose from two great Purina horse feeds—new Purina Horse Chow Checkers with built-in hay or Purina Omolene, a favorite of horsemen for almost 50 years.

Purina Horse Chow Checkers are a revolutionary idea in feeding horses. The hay is built in, eliminating the fuss and muss of hay. For those who prefer to feed hay there's the horsemen's standby—Purina Omolene.

We offer both of these research-developed Purina horse feeds in handy 50-lb bags at our store with the Checkerboard Sign.
