Services Offered

ATTENTION FARMERS: I am offering a new service to all farmers Now that it is TAX TIME again I am sure all of you wish you had kept better records the past year. Just one item omitted or put in the wrong category may cost you a lot more than a good set of records. I am offering you complete record keeping done in the privacy of my own home at a very small fee. As a tax counselor I can keep you up to date through out the year after I get a general idea of your set up. After twenty years of full time farming myself I know the importance of accurate records. Why not relax after a hard days work? Every thing can be handled by mail or phone, if you wish. All your information will be readily available to you with just a phone call or letter. For full details call Mountville 285-5649 after 4 P.M. or all day Saturday.
