

Farm Agreement

(Continued From Page 30)

implementation of joint projects and programs.

5. Exchange of plant germ plasm, seeds and living material.

6. Exchange of animals, biological materials, agricultural chemicals, and models of new machines, equipment and scientific instruments.

7. Direct contacts and exchanges between botanical gardens.

8. Exchange of agricultural exhibitions.

Other forms of cooperation may be added by mutual agreement.

ARTICLE IV

1. In furtherance of the aims of this Agreement, the Parties will, as appropriate, encourage, promote and monitor the development of cooperation and direct contacts between governmental and non-governmental institutions, research and other organizations, trade associations, and firms of the two countries, including the conclusion, as appropriate, of implementing agreements for carrying out specific projects and programs under this Agreement.

2. To assure fruitful development of cooperation, the Parties will render every assistance for the travel of scientists and specialists to areas of the two

countries appropriate for the conduct of activities under this Agreement.

3. Projects and exchanges under this Agreement will be carried out in accordance with the laws and regulations of the two countries.

ARTICLE V

1. For implementation of this Agreement, there shall be established a US-USSR Joint Committee on Agricultural Cooperation which shall meet, as a rule, once a year, alternately in the United States and the Soviet Union, unless otherwise mutually agreed.

2. The Joint Committee will review and approve specific projects and programs of cooperation; establish the procedures for their implementation; designate, as appropriate, institutions and organizations responsible for carrying out cooperative activities; and make recommendations, as appropriate, to the Parties.

3. Within the framework of the Joint Committee there shall be established a Joint Working Group on Agricultural Economic Research and Information and a Joint Working Group on Agricultural Research and Technological Development. Unless otherwise mutually agreed, each Joint Working Group will meet alternately in the United States and the Soviet Union at least two times a year.

The Joint Committee may establish other working groups as it deems necessary.

4. The Executive Agents for coordinating and carrying out this Agreement shall be, for the Government of the United States of America, the United States Department of Agriculture, and for the Government of the Union of Soviet Socialist Republics, the Ministry of Agriculture of the USSR. The Executive Agents will, as appropriate, assure the cooperation in their respective countries of other institutions and organizations as required for carrying out joint activities under this Agreement. During the period between meetings of the Joint Committee, the Executive Agents will maintain contact with each other and coordinate and supervise the development and implementation of cooperative activities conducted under this Agreement.

ARTICLE VI

Unless an implementing agreement contains other provisions, each Party or participating institution, organization or firm, shall bear the costs of its participation and that of its personnel in cooperative activities engaged in under this Agreement.

ARTICLE VII

1. Nothing in this Agreement shall be interpreted to prejudice or modify any existing Agreements between the Parties

2. Projects developed by the US-USSR Joint Working Group on

Agricultural Research which were approved at the first session of the US-USSR Joint Commission on Scientific and Technical Cooperation on March 21, 1973, will continue without interruption and will become the responsibility of the US-USSR Joint Committee on Agricultural Cooperation upon its formal establishment.

ARTICLE VIII

1. This Agreement shall enter into force upon signature and remain in force for five years. It will be automatically extended for successive five-year periods unless either Party notifies the other of its intent to terminate this Agreement not later than six months prior to the expiration of this Agreement.

2. This Agreement may be modified at any time by mutual agreement of the Parties.

3. The termination of this Agreement will not affect the validity of implementing agreements concluded under this Agreement between institutions, organizations and firms of the two countries.

Food Preservation Meetings Set

As fresh fruits and vegetables come into season, are you planning to preserve them for use throughout the year? If you are joining the many people who are preserving their own foods, it is important that you know the proper preserving techniques to keep the food high in quality and safe to eat.

The Cooperative Extension Service is sponsoring two demonstration meetings on food preservation. One meeting on making jams and jellies will be held on Wednesday, July 11 from 9:30 to 11:30 a.m. A meeting on canning procedures will be held on Tuesday, July 31 from 9:30 a.m. to 12 Noon. Both meetings will be held in the Chester County Housing Authority, 222 North Church Street, West Chester (basement meeting room). The meetings are open to the public.

Mount Joy Club Elects Officers

The Mount Joy second year sewing club recently reorganized. There are 16 members.

Elected to serve as officers are: Patty Sheetz, president; Heidi Sue Miller, treasurer; Erin Ney, secretary. Leaders are Mrs. Robert Kauffman, Mrs. Daniel Stoltzfus, Mrs. Warren Speckler and Mrs. Joseph Hess.

The project for the second year sewing club is to make an A-line or pant skirt.
