When putting rubber cups on chair legs, insert a metal washer first. The leg will not cut through the rubber.

Turn an aerosol spray can upside down and give two or three short blasts to clear the nozzle, after you are through with your spray job.

Car seat belts can be used for things like securing a boxed birthday cake or bags of groceries so that they will not slip off the seat.

Get a repair kit containing a tube of cement and patching material to repair deflated blow-up plastic toys.
