

Tractor drivers tested their skills Tuesday during the Lancaster County Conservation Field Days. This driver is trying to

maneuver a manure spreader into a small area enclosed by ropes.

Crowd Views Conservation Day Contests

(Continued From Page 1)

Lancaster RD4, in the level land plowing event.

Both men will be sponsored by the Lancaster County Soil Conservation District at the state competition.

A third person entering the competition at Hershey, at his own expense, will be David Becker, Mount Joy RD1, a newcomer to the local competition who placed second in the level land plowing contest.

Groff, who won with a small plow, will enter one event while Becker, with a large plow, will enter that event at Hershey.

Other winners in the contour plowing contest were Larry Brubaker, Elizabethtown RD1, second, and Earle Haldeman, Elizabethtown RD2, third.

In the level land contest, John Risser, Mount Joy RD2, placed third.

Following the adult competition, the 4-H tractor driving

contest was held with Dudley Rohrer, son of Mr. and Mrs. Daniel Rohrer, Manheim RD1, the winner.

Other winners in the driving contest were Richard Groff, Leola, second; Ronald Nolt, Mount Joy RD1, third; Andrew Augsburg, Reinholds RD1, fourth; and Randall Shank, Marietta RD1, fifth.

Rohrer will represent Lancaster County at the State 4-H Days, Aug. 6, 7 and 8 at The

Harvey Sauder, left, took top honors in the contour plowing contest held Tuesday during Lancaster County Conservation Field Day. The level land contest was won by Merle Groff, right.

Pennsylvania State University.

judging contest for FFA members.

Barry Wissler, son of Mr. and Mrs. Glen Wissler, Ephrata RD1, was the winner of the land

The competition ended with a greased pig chase won by Chip Miller, Quarryville, RD1.

AGWAY

STA-RITE Can Put A Pipeline In Any Barn WHY BUY A PIPELINE?

For An Average
40 Cow Herd

You Can . . .

1. Save walking 100 miles a year.
2. Save carrying 292 tons of milk a year.
3. Save 200 hours per year on an average herd.
4. Produce higher quality milk.
5. Increase your milk production.

WHY BUY A STA-RITE PIPELINE?

1. Engineered for the modern dairy farm of today as well as the dairy farm of tomorrow. Around the barn pipelines and milking parlors.
2. The only milkhous control unit that is assembled at our modern new factory on a stainless steel panel. Pretested for trouble free operation, self-draining with patented washing features.
