

IDENTIFIED OBJECT . . . The X-24B is newest of manned lifting bodies to be flown in the joint NASA-USAF flight research program. Modified from its predecessor shape, the X24A, the experimental craft will be air launched from a B-52 mother ship and use a rocket engine to climb to higher speeds and altitudes to obtain aerodynamic flight data at transonic speeds. It will then maneuver to a glide landing on a dry lake bed at Edwards, California.

THREE PEANUT SPECIALTIES - A HOLIDAY TRADITION

From soup to nuts, Mr. Peanut will be gracing holiday tables in all parts of the country. For the first course, there'll be Peanut Soup, followed by the star of the show, Roast Turkey with Peanut Stuffing and side dishes of Creamed Onions with Peanuts.

A Georgia specialty Peanut soup has been adopted by most of the South in addition to the New England states. However, whereas Southerners favor thinner, onion-flavored Peanut Soup, Yankees like it thick and creamy, garnished with dollops of whipped cream.

Creamed Onions and Peanuts was inspired by an old North Carolina specialty known as Creamed Goobers ("Goober" is another name for the peanut). Today, no turkey dinner is considered complete without Creamed Onions and Peanuts.

Roast Turkey with Peanut Stuffing is a New England favorite, although pecans and chestnuts are added to dressings in the South and West. Peanut Stuffing is sometimes made with bread cubes, but this version combining peanuts with rice and carrots is unusually good.

Of course, Planters Peanuts will be very much in evidence throughout the holidays in cookies, candies, cakes and pies — not to mention nibbles!

PEANUT SOUP

1/4 cup (1/2 stick) margarine

From soup to nuts, Mr. Peanut will be gracing holiday tables in all parts of the country. Peanut Soup will start the meal, followed by Roast Turkey with Peanut Stuffing, and a side dish of Creamed Onions and Peanuts.

1/4 cup minced onion
1/4 cup chopped celery
1 tablespoon flour
1 cup Planters Creamy Peanut Butter
5 cups beef bouillon
2 teaspoons lemon juice
1/2 cup chopped Planters Cocktail Peanuts

In the top part of a double boiler, melt margarine. Add onion and celery; saute until tender. Place over boiling water.

Add flour and peanut butter; blend well. Stir in beef bouillon and lemon juice. Cook for 20 minutes stirring occasionally. When serving garnish with chopped cocktail peanuts.

ROAST TURKEY WITH PEANUT STUFFING

Makes 8 servings

2 cups rice
1 10-pound roasting turkey
2 cups Planters Cocktail Peanuts
1/2 cup currants
6 tablespoons Planters Peanut Oil
1 tablespoon salt
1 quart water

Cover rice with lukewarm water and allow to stand 5 to 10 minutes. Prepare turkey for roasting. In a large skillet, add drained rice, peanuts, currants, oil, salt and water. Cover and cook over low heat until water is absorbed, about 15 minutes. Remove from heat and keep warm about 15 minutes. Stuff turkey and sew or skewer the opening. Place in roasting pan.

Bake uncovered in moderate oven (325°F.) 4-4 1/2 hours or until turkey is tender.

CREAMED ONIONS AND PEANUTS

2 tablespoons margarine
2 tablespoons flour
1/4 teaspoon salt
1/4 teaspoon pepper
1 cup milk
3 cups (about 2 pounds) cooked small white onions
1/4 cup chopped Planters Cocktail Peanuts

Melt margarine over low heat in a saucepan. Gradually blend in flour, salt and pepper. Stir in milk and continue stirring until mixture thickens. Add onions and simmer another 10 minutes. Just before serving, add chopped cocktail peanuts.

HESSTON StakHand® 10

The efficient way to handle hay in 1- to 1 1/4-ton compressed Hesston HayStaks!

JUST ARRIVED SEE IT ON DISPLAY

Now, you can have a one man haying system and put up 4 to 6 tons of hay an hour in compressed stacks that weigh 1 to 1 1/4 tons. The StakHand 10 picks up the hay from the windrow, packs it into distinctive, weather-resistant Hesston HayStaks that develop a natural, protective thatch, and unloads the stack in the field, at the roadside, or wherever you may wish to feed or store it. Come in and let us show you the economy of a Hesston StakHand 10 that lets you have a one man haying system.

The 60" wide Flail pickup also PICKS UP AND STACKS CORN FODDER. STAUFFER DIESEL, INC.

The one feed additive for growth and feed savings plus 4 way control...

In our feeds helps you control

★ ATROPHIC RHINITIS

★ SCOURS

★ CERVICAL ABSCESSSES ★ STRESS

AUREO S-P 250* has proved to be the one feed additive that provides a wide range of benefits to pork producers. No other antibacterial in feed does so many things to help produce fast gains—improve feed efficiency—and provide superior protection against the major diseases that threaten sows and growing hogs.

AUREO S-P 250 helps save feed—reduces labor and medication costs—by keeping hogs gaining in the presence of atrophic rhinitis, controlling bacterial scours, reducing cervical abscesses—and helping prevent these diseases during stress.

AUREO S-P 250 is beneficial at every stage of growth and production.

*AUREO S-P 250 is the registered trademark for American Cyanamid Company's premix of AUREOMYCIN® chlortetracycline, SULMET® sulfamethazine and penicillin. Withdraw seven days before slaughter.
