

Mr. & Mrs. Vernon J. Leininger

**"Pennfield's Computer Flock Analysis is almost like my personal bookkeeping department.**

**"The monthly computer sheet I get from Pennfield, tells me all the information I need to know to run my poultry operation.**

**"The accurate and complete records have helped me catch weaknesses in my feeding program, before they've become costly problems.**

**"In the beginning I used the computer sheet to get credit from the bank. It's so clear, even the bankers could understand it.**

**"At tax time, I go right to the computer sheet. Pennfield even figures depreciation the same as IRS.**

**"I could go on, but I think I've made my point."**

**Pennfield's  
been  
keeping  
my  
records  
straight  
for  
years**
