PURINA HORSE CHOWS

for the good of your horse, anywhere... trailering, showing, or just at home.

There's complete Horse Chow Checkers, with the hay built right into the pellets. Or long time favorite Omolene, to feed if you have plenty of good hay available. Or Big 'Un, that'll help grow your foals big, fast. Or Breeding Horse Chow, to help peak condition your mares and stallions. Or Horse Block, when pasture's sparse. Or Horse-Plus, for that extra boost and bloom.

They've all been developed and proven on our horses at the Purina Horse Research Center, so you can have confidence in our growing family of good things for your horses. Drop in and "talk horse" next time you see the red and white checkerboard.

Penn's Woods Camper
Camping News
From Around Pennsylvania

A new Interstate camping area is under construction in Pennsylvania on I-83 between York, Pa. and the Maryland State line.

The camping area, expected to be completed by July 1, is located to the rear of Rocky Ridge Motel at Exit 2, Glen Rock Exit, of Interstate 83. The area includes 23 pull-through sites with electric and water hook-ups at each site. Three sites have on site sewer hookups. A dump station is available on the grounds. Rest rooms, showers and a laundry are also available

Ken's Woods Camp Ground, RD 1, Bushkill, Pa. has new owners, Marie and Al Siderini, of Kearny, New Jersey. The former owners were Ken and Bonnie Alspach. The camp ground is located in the Pocono area of Pennsylvania

Ticketron is planning to install new equipment next year that may enable campers to reserve specific sites in state parks, according to Joeline Girty, area manager of the firm's Pittsburgh office

She is advising groups this year that want to camp near each other to "get together and mail their orders to the Pittsburgh office. We're playing with the computers and trying to get people together," she said, although there still is no guarantee of adjacent lots

Bellefonte KOA, Box 303, Bellefonte, Pa. 16823, made major improvements to their camping area this spring. Over 30 new sites were opened Memorial Day weekend. These new sites are all located in a wooded area and are low density sites with plenty of shade.

The Bureau of State Parks of the Department of Environmental Resources

said today that swimming beaches in three Parks will be closed until further notice

The beaches at Sinnemahoning, Clinton County; and Little Pine, Lycoming County, will be closed while reconstruction activities are underway to repair the damage caused by Tropical Storm Agnes in 1972.

The beach at Raccoon Creek State Park, Beaver County, has been closed since last year because of pollution of the waters making it unsafe for swimming.

A new camp ground in Pennsylvania is "The Secret Place" located between Rt 522 and Rt. 35, west of Selinsgrove

"It's just a quiet, relaxing place," say the owners, Marilyn and Bill Zuspan. The campground is open weekends only for 1974. Reservations can be made by calling 215-356-6990 or writing The Secret Place, 2902 Highland Ave., Broomall, Pa 19008

WILD PLANT COOKERY

Treat your family to a different outdoor experience this summer. Fix them a delicious meal from plants that grow in the wild, and are readily available almost anywhere you go.

Here are two wild plant recipes made from the common dandelion that are recommended by the outdoor recreation staff at Mercury outdoors. They've tried each of these and have found them to be worthwhile additions to any outdoor menu.
