### A SOLUTION FOR POLLUTION - PERMA GUARD and an ALTERNATIVE FOR BEEF RAISING VEGETABLES.

Perma-Guard is well proven locally to kill bugs, beetles, termites, weevils, including drain weevils, etc. But is not toxic to animals. Plant late vegetables, celery, pumpkins, cabbage, and root crops. Will be in demand if organic. I have various kinds of excellent economical organic fertilizers. Also outstanding septic tank activator. Eli Stoltzfus, 69 Strasburg Pike, Lancaster, Pa. 717-394-9917
