New Idea's Superpickers

1-row Superpicker... low cost way to harvest your corn

Hour after hour, acre after acre, you'll get non-stop plug-free picking in all kinds of corn with a 1-row Superpicker.

The big, hungry gathering unit picks clean, even in down and tangled corn. Flexi-Finger presser wheels on the long, 6-roll husking bed deliver clean, whole ears to your wagon even in the heaviest yields.

Before you buy, take a good look at this Superpicker... it combines the capacity you want with the non-stop performance you need for fast, clean, profitable corn harvesting.
