

Tractor Safety Contest Held

The Conrad Weiser FFA recently held their annual tractor operation and safety contest at the high school. Of the nine participants in the contest, David Staaby, son of the Rev. and Mrs. Lars Staaby, Womelsdorf RD1, emerged as the winner. Herman Manbeck, son of

Mr. and Mrs. George Manbeck, Sr., Womelsdorf RD1 placed second in the contest. The contest tested the skills of the student in maneuvering a tractor attached to a two wheeled implement and a tractor attached to a four sheeled

wagon. The students were constantly observed for proper safety during the entire procedure. Staaby, Chapter Vice-President, is conducting an occupational work experience program with a neighboring farmer. Much of his driving skills were obtained while working on this dairy farm. He will be competing against six representatives from the other Berks County FFA chapters in the County Contest on Friday, August 23, at 1:00 p.m. in the Kutztown Fair Grounds. The public is invited to attend this contest.

Consumers' Corner

Mealtime - Breaktime
The family meal deserves a time all its own; it shouldn't be like the other hectic parts of your day.

Instead, look at the evening meal as a time when your family can share good food and good company. That doesn't always mean fancy food. But it does mean setting problems aside temporarily.

Though work has been confusing, car pools have gone a hundred miles, and the basement is piled high with dirty clothes, the people at your table deserve each other's attention.
