## Penn Jersey Harvestore Celebrates 10 Years Service

activities. They had an open house along with several picnics and meetings over the summer.

The company has also planned a number of ladies' luncheons for the coming months and is planning a trip to Canada to view Canadian agriculture.

Penn Jersey is sharing their anniversary with their parent company the A. O. Smith Harvestore Company

which is celebrating their 25th anniversary also this year.

"Birth of the Blues" has been the theme for the A. O. Smith's Harvestore anniversary year, with the company relying on the noticability of the blue Harvestores which are so often used as farm landmarks.
