FARM CREDIT

If you're just getting started,
you'll need people who believe
in the future as much as you do.

Getting started in agriculture is no easy task. It takes know-how, land, plans and lots of money to set up an operation that's highly profitable. We know that. Your Farm Credit Service is ready and able to back young people who will devote their life and talent to the land.

The people at Farm Credit Service across the country know the lane, the market, crops and livestock production in your area and believe in the future of agriculture. And there's nothing they'd rather do than sit down and share the planning of your agricultural future.

Their job is providing money and sound advice on how to use it best. They've seen just about every opportunity and problem you'll encounter. Start out with a good understanding, experienced friend who can help . . . your Farm Credit Service.
