COWCULATOR

New scientific dairy herd record system!

Continuous chart with plexiglass cover lets you see at a glance all the details and condition of each individual cow. You can immediately check for heat, pregnancy, service and gestation. Also gives you a permanent visible health record of treatment and other important data. Write or telephone for complete information on this inexpensive new system.

A TIME FOR ACTION

Through the years HARVESTORE farmers have helped solve their high feed cost and labor problems by feeding Haylage and High Moisture Corn. Chances are HARVESTORE has been a topic in one of your discussions.

Well, Penn-Jersey HARVESTORE is pleased to introduce an Interest Earning Deposit Program.

This Program offers three good reasons to consider purchasing that HARVESTORE now.

1. Your HARVESTORE deposit earns a year's interest in 5 months.
2. The price you pay is protected until next April.
3. You are guaranteed storage for spring.

That's right, the deposit you put on your HARVESTORE earns you a high rate of interest and although the HARVESTORE isn't needed until Spring, your price is protected.

This program is so great we invite you to contact Penn-Jersey HARVESTORE for more information.
