Versatility... also beauty... now with faster, stronger and more economical construction for all types of farm and commercial buildings...

A Year Around Controlled "Ideal" Environment

Your barn will always be a healthier place for your animals with Rigidply rafter construction. For Free Stall Housing continuous ventilation is assured by a ventilator roof and air flow always available through the heel. This flexibility allows proper ventilation for all seasons with a minimum amount of condensation. The flexibility of the arch extends also to construction; often the arch and wood decking system will permit construction to continue into peak winter months.
