If any man's work shall be burned, he shall suffer loss; but he himself shall be saved; yet so as by fire.

Know ye not that ye are the temple of God, and that the spirit of God dwelleth in you?

To any cattleman, whether he's a feedlot operator or a cow-calf man, feed efficiency is the name of the game.

But mere supplementation may not be the whole answer. If you choose an inferior brand, you may just be wasting your money.

Things like: phosphoric acid, ammonium polyphosphate, corn distillers solubles, and condensed fermented corn extractives. A feed supplement, as with any manufactured product, is no better than the quality of its construction. You get what you pay for. Mol-Mix is made with the best ingredients available.

It's just an out and out fact that Mol-Mix will make more net profits for you. Some have reported as much as \$5.00 return for every dollar invested in Mol-Mix.
