

# NATIONAL 4H CLUB WEEK

## The Building Blocks of Life . . . Head, Heart, Hands and Health.

These are the foundations on which every 4-H'er learns to live. The boys and girls, young men and women who belong to 4-H clubs throughout the country are taught through experience. Group activities and individual projects are all part of their education.

They're taught to be active leaders, dedicated workers, compassionate

friends. They set realistic goals . . . and persevere in achieving them. They're truly a credit to all of us.

Let's show them that we're proud of the fine job they're doing . . . their great accomplishments in the community. Let's give them our total support during 4-H Week, and all through the year.

*Well Done* 4HERS
