## 4-H History

[Continued from Page 62] Thus, most States organized clubs outside the schools with farm men and women acting as volunteer leaders. The leaders were furnished materials and given training by county extension agents. By this time, a system of demonstration work had been established in almost all States. Once extension work was established, farm people saw the practical benefits and public support and enthusiasm grew throughout the Nation.

#### Formal Establishment of 4-H

Congressional appropriations to the State land-grant institutions began in 1912 and were used to develop early extension work within the States. The Smith-Lever Act of 1914 established the Cooperative Extension Service jointly among the U.S. Department appropriations for 4-H urban of Agriculture, the State land-grant universities, and

ther supplemented in 1928 by the Capper-Ketcham Act, in 1935 by the Bankhead-Jones Act, and in 1945 by the Bankhead-Flannagan Act. All of these Acts concern Cooperative Extension Work of which 4-H is an integral

Funds for Extension work are administered cooperatively by the U.S. Department of Agriculture and the State land-grant universities. State and county appropriating bodies provide additional funds.

Since these early Congressional Acts. Congress has continued to give its support to 4-H, such as in 1970 with the funding of the 4-H Expanded Food and Nutrition Education Programs for Low Income City Youth, and in 1973 with and 4-H community development programs.

### Travelogue series slated

The Paradise Rotary Club is about to open a new season of travelogue shows. The first program, scheduled for relate his experiences from Saturday, October 11, will feature John Ebert and "Alaska Adventureland."

According to Marlin Reed, Paradise, program chairman for the series, all shows will begin at 7:30 p.m., and will be held at the Conestoga Valley High School auditorium.

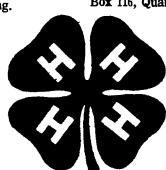

"Alaska Adventureland" is a superb story of the wonders and adventures to be found along the great demanding this kind of northern highways, leading to the interior of Canada, the Yukon and Alaska. The journey covers the Banff Jasper Highway, the Alaska Highway, and the famous performance tickets are also Denali Highway, and in- available and all can be cludes camping adventures, purchased at the door, or by fascinating wildlife and writing to James W. Skinner, exciting fishing.

Box 116, Quarryville, Pa.

John Ebert will be at Conestoga Valley in person to narrate the show and the production of the series.

Travel and Adventure Series programs have become popular in Lancaster County, and the Paradise Club Chairman, Leroy Shenk, of Old Philadelphia Pike, feels this type program for the public will be a good alternative to X-rated movies. Shenk has been emphasizing to club members that "the public is program," thus tickets will be in demand.

Group tickets available for adults at \$6, and to students for \$3. Single

> What 4-H Means to Me Julia Woods Lebanon County

When many people think of 4-H, they think only of girls learning to cook and of boys learning to farm. But when I think of 4-H, I think of many things: leadership, friendship, sewing, forestry. My most valuable experiences from 4-H involved leadership. As a teen leader in the sewing project, I gained valuable insight into working

the same directions many times, which tried my patience, but which helped me to control my temper. Because I will be working with children in my future occupation, I find this training in teaching invaluable.

Julia Woods **Lebanon County** 

Another experience which helped to develop my leadership skills was being a Leadership Council delegate to the State 4-H Leadership Congress. I had many duties as a leader of twenty young teenagers, including being a floor counselor, leading games, helping youth overcome problems during their stay and being a teacher and discussion leader. All of these experiences helped me develop my leadership skills and to improve my relationship with other people.

Although leadership was the major area of concentration in my 4-H work, I also completed much work in sewing. An important skill to acquire, I hope my sewing experiences in 4-H, which included making a threepiece blazer outfit and a number of evening gowns and a cape, will help me to save money in the future, school. Knowing correct wardrobe is less expensive

with children. I had to give than buying your complete wardrobe.

I feel that all of my experiences in 4-H have helped me grow by gaining new knowledge in many skills and in working with people. I hope all 4-H'ers can have a rewarding and fulfilling experience in 4-H like I did.

> What 4-H Means to Me Susan Seidel **Berks County**

Words can not begin to describe what 4-H means to me. I have been a 4-H member for the past 10 years and have had many fond memories.

Beginning when I was nine years old I had no idea of what a great and challenging program I was about to enter.

4-H means many things to many people, but 4-H to me means: leadership, responsibility, and a very educational experience.

Susan Seidel **Berks County** 

The leadership abilities I have gained in the past years are linked directly to 4-H. I have held all of the offices in my local 4-H Club. With the knowledge I gained through running a business meeting I was able to hold leadership positions while in high because creating your own parlimentary procedure
