

**P**OULTRY + **P**ENNFIELD = **P**ROFIT

If your flock is consuming just enough nutrients to support 85% production yet capable of 95%, then you need a feed to challenge them to reach their potential.

The new Pennfield Feeding Program is designed to do just that — each feed in the program has the density and quality to allow birds to peak at top ability.

A Pennfield Poultry Expert would like to explain this revolutionary new feeding program to you. Give us a call.
