David Miller

David Miller  
Red Lion H.S.  
David M. Miller, son of Mr. and Mrs. Dale V. Miller of R. D. 1, Red Lion, Pennsylvania, will be receiving the Keystone degree January 7, 1976. The Keystone degree is given to 2.5 percent of state membership. David, a senior of Red Lion Area Senior High School, has earned this award with projects, during his four years of high school. Some of his projects were beef finishing, feeder calves, broilers, and tobacco.

David has also been involved in various activities during his FFA membership

including: livestock judging, participation in local and state, three years on the parliamentary procedure team, showing beef at the York Interstate Fair, chapter and area quiz contest and various county activities.

David, past vice president of York County FFA, plans to start farming corn and small grain on his father's farm. He will also be responsible for the management of the cattle in partnership on his father's farm.

Earl Holtzinger

Earl Holtzinger  
Red Lion H.S.  
Earl L. Holtzinger, son of Mr. and Mrs. Lester E. Holtzinger of R.D. 2 Red Lion will receive the Keystone Farmer Degree on January 7. He lives on a general farm raising grain and livestock for market. Earl is a senior at the Red Lion Area High School.

Earl has held offices of sentinel in 1973-74 and reporter in 1974-75 in his local FFA Chapter. He has been active in local activities such as tractor driving, representing Red Lion at the York Fair for three consecutive years as Red Lions' top tractor driver. Earl has also been active in livestock judging on local, county, and

state levels and placed 10th in the state competition this past year. Earl has also been on the parliamentary procedure team in 1973 which went on to state level competition. In 1974 Earl represented York County in the tractor driving contest on the state level, receiving gold emblem placing. Earl has also won gold emblem honors in the state project book contest in 1975.

Earl has projects which include corn, beef finishing, swine breeding and finishing, and tobacco. Future plans for Earl include partnership with his father on their 250 acre farm plus 50 acres of rented land and also custom combining and field work.
