**HIGH PRODUCTION AND BUTTERFAT TEST TOO . . .**

**7H166 PERCY**

**SUNGOLD KINGPIN PERCY BURKE 1569187**

Good Plus (82) Production Qualified 5-75

Percy represents a cross between two outstanding bulls - Whirlhill Kingpin and Wis Burke Ideal. Percy has a special ability to sire well balanced and symmetrical udders, which is typical of the Wis Burke Ideal influence which he inherits. His daughters are average in stature with a proper balance between dairyness and strength. Percy can be used as an improver of feet and legs as they have proper set to the hocks and stand on correct feet. We are also pleased that Percy has the ability to increase butterfat test as well as high milk production, this combination making him one of the high dollar value bulls in the Holstein breed.
