Lime Hollow Admiral DeKol is a big strong bull. He is a son of Irvington Pride Admiral (Ex. 92-GM) and a maternal grandson of Burkgov Inka DeKol, well known foundation sire of the Holstein breed. Admiral can be used as a "Strength" bull but also sires the same udder quality that made his sire "Pride Admiral" so popular. We like the Admiral daughters and we are sure you will too! Call in your semen order today!
