

AGWAY

**SAVE
\$4 TO \$6
PER TON ON GRAIN!**

With Agway LPS offered free choice, you can cut your dry feed bills right at the bunker—by \$4 to \$6 per ton!

Agway research proves it! Cutting feed bills is as simple as cutting down on the protein in your purchased grain.

If you're now buying a 20% ration, for example, cut back to 16% protein. Let the cows make up the difference with Agway LPS offered free choice. You pocket substantial savings because LPS protein costs so much less per pound.

Call Agway and get started on this proven dollar-saving feeding program. The Agway Dairy Enterprise man will run a TDR Profile (no cost to you) to be sure your program is on

target and to select Ratio Right™ feed that can help you cut feed costs \$4 to \$6 a ton! Call Agway today.

New Agway LPS now provides protein at even less cost per pound!

The protein content of Agway LPS is now up to 35%. So the cost per unit of protein is less than before. In addition, you get all the other advantages of Agway LPS, plus an even more precise balancing effect. Check Agway for details.
