

FOLDING TOOL BAR being munufactured by the Divisions of Allis-Chalmers

A new folding tool bar is series row crop cultivators and rotary cultivators. gricultural Equipment Hydraulic rams control the wing sections of the $5 \ge 7$ in.

tool bar. Center sections of 142 or 182 in, bases are available, and wing sections Corp., for planter units, 90 may be obtained in either 61 or 101 in. widths. This permits a choice of four sizes ranging from six to twelve row capacity for the cultivators, and up to eight 40 in. or twelve 30 in. rows with the planter. Adjustable gauge wheels are standard equipment and lift assist wheels may be obtained for large, complete units.

Flexible hoses provide a dependable air supply for AIR CHAMP planter units. The tool bar will fit any standard Category III hitch.

Ag-safety Tip

It takes only a very small amount of electricity, which is used on every farm, to cause a fatal accident Actually, the amount of current needed by a small Christmas tree bulb 14 enough

We congratulate these and other DHIA herds on their fine performance this past year, and extend best wishes for continued progress. We appreciate your cooperation in sampling our young sires and developing their daughters to help provide more top Al-proven sires like Rocket, Gay, Ivanhoe Star, Proud, Favorite, and more which are all now available daily through our Professional Technician service program.
