USED HARVESTORE 20' x 70' LIKE NEW

This silo & unloader is only 1 year old. It will cost approximately \$4,000 to take down, move & set back up on your farm. We want \$20,000 for the silo & Goliath unloader. To buy one like it today would cost over \$30,000. That leaves a savings of over \$6,000, enough to buy the equipment necessary to fill the silo. We are also selling a Super 717 NH chopper with corn head & pick-up head \$2850 and a Gehl chuck wagon with extra long body & double tandem running gear \$2850. All like new. If you are putting up a Harvestore this year, don't pass up this opportunity.
