### Lauxmont Farms to host Chianina field day

WRIGHTSVILLE — The Northeast region of the American Chianina Association announces the second annual field day will take place August 21 at Lauxmont Farms, here.

The field day will start with a Crossbred Steer Show for 4-H and FFA members in the Northeast region of the United States. Events will start at 9 a.m. All 4-H and FFA members are invited, and those with 1/4, 1/2, and 3/4 blood Chianina steers are to bring their steers to the

show. There is no entry fee. Top prize is \$100.

After the Steer Show the National Sale cattle and the Regional Sale cattle will be picked and discussed along with the other merits of the Crossbred Chianina, which steers won almost every major steer show in the United States in 1975. The Northeast Regional Sale will also be held at Lauxmont Farms, Friday evening, November 5. Finally, after the placing and selection of the cattle, there will be an

auction of assorted goodies to raise money for the Northeast Region to help promote this breed of cattle.
