

Even the large exhibit hall, filled with machinery and equipment during Farm Show Week, was turned into a barn during the Pennsylvania All American

**Energy Use**  
More efficient use of energy to heat and cool homes and office buildings plus other conservation measures can perhaps make the greatest single contribution to solving the nation's energy problems. One study estimates that overall energy savings up to 33 per cent can be realized by a combination of strategies including "leak plugging," changing methods of transportation, improving management of lighting and

heating systems, slower driving, and more energy-efficient household appliances.

FIND THE LETTERS IN THIS PUZZLE THAT SPELL CROCODILE

**Tough Taste**  
A customer during one of the "taste tests" called the water to his table and asked, "Is this tea or coffee?" It tasted like crocodile to him. Well, if it tastes like crocodile medicine, it must be tea. For the waiter replied, "Have one cup of coffee or you'll taste like Argentine."

**EXCLUSIVE SPEEDY ROOF RAFTERS MAKE SPEEDY CORN CRIBS**

**Twice as Fast** *Twice as easy to erect*

Speedy roof rafters guarantee easy, proper placement of roof panels the first time. Rafters add great strength to the roof. Panels need only to be bolted together in three places. It's another big time saving feature you get only in Speedy Bar Lok corn cribs.

Stands up best — lasts longer  
Wire mesh panels are 5 gauge wire — thick as a 1/4" bolt. No bulge or sag. Sturdy 25 gauge galvanized roof is securely anchored to 9 steel roof rafters and side panels. Can't blow off!

Come in today and see the Speedy Bar Lok corn crib. Let us prove to you that Speedy is twice as fast — twice as easy to erect. Let us show you all the other features that make Speedy Bar Lok your best corn buy.

**ANTI-POLLUTION PRODUCTS**

**ORGANIC FERTILIZER** is coming into prominence fast because of necessity. Without it there is too many bugs, blights, soil compaction and bad effects of poisonous sprays in the consumer including your livestock. Organic farmers with many older and newer products have more nutritious crops at less overall cost.

A natural mineral with enzymes and amino acids, mined in Oregon is both a terrific soil balancer and excellent livestock feed. A very little manure or nitrogen with it works wonders for big healthy crops. Great for healthy livestock and poultry—cage fatigue, mortality, vent picking, (no debeaking needed) swine disease (no medication needed), afterbirth retention, etc. Saves about 15 percent to 30 percent on feed consumption, no kidding.

A new stabilized enzyme sprayed on the soil greatly and quickly improves poor soil, clay and wet soggy soils which bake later. Dries up swamps, yet makes soil hold moisture; a miracle but so is nature. Dealers wanted for above products.

Electronic seed treatment is also a crop improver, especially roots, protein, feed value. Done at Edgar M. Martin's farm near New Holland. Phone 717-354-9917 for appointment.

Lactobase and Agriserum are excellent and proves seed treatments for big roots, more nutrition and protein in crops, soil improvement. Multiply precious soil life and earthworms fast at very little cost.

With only Lactobase and Agriserum and trace minerals as fertilizer for 5 years, I got from 10 acres, over 600 bushels Triticale, a cross between wheat and rye. I cleaned it and sell for \$6.00 a bushel. A vigorous grower, tall straw and extra high protein for livestock feed.

Organic produce companies are co-operating for a large Organic produce buying center possibly in New Holland next year. To qualify, keep the chemicals off the land and the children on the land where they belong and not take away jobs from town people. You can raise high quality with my products especially if applied earlier than planting time.

**25% OFF STOCK UNITS**

Think of it as a 3-ton grain truck for about half the price.

**WINNEBAGO Agri-Trailer™**  
**Flat Bed Trailer**

3-point tractor hitch.

Heavy-duty hydraulic hoist.

Pin & Plate coupler with retractable pin and steel truckbed plate.

This versatile trailer teams up with your pickup to help you move grain, livestock and other heavy loads in a hurry. The Winnebago Agri Trailer can carry as much as a 3 ton truck. It can haul over 7 1/2 tons. Or 285 bushels of grain. It can even operate as a flat bed to carry farm equipment. The Agri Trailer can handle twice as much as a 4 wheel trailer. And unlike a 4 wheel it can handle those loads safely at highway speeds.

**Standard Features:**  
Heavy duty tubular steel frame • Electric brakes all wheels • Automatic break away switch • Approved lights and reflectors • Electric Hydraulic Pump (12V) • Electric brake control • 42 in. grain box sidewalls (steel, Agri panel or wood) • 8 ft x 16 ft grain bed  
You might find some of these features on a 3 ton truck. But the truck will cost you about twice as much.

Come In Today And Check An Agri-Trailer Over!
