Debates rebroadcast

HERSHEY, Pa. The remaining two Ford-Carter presidential debates and the debate between vice-presidential candidates Robert Dole and Walter Mondale will be rebroadcast via tape delay by WITF-TV, Channel 33, on the Saturday evening following each debate. The delayed broadcasts, which provide an alternate time for South Central Pennsylvania viewers to watch the debates, will be prepared especially for the hearing-impaired through the use of either super-imposed captions or sign-language.

The second debate between President Ford and Jimmy Carter will be rebroadcast on Saturday, October 9, at 8:00 p.m., with captions. The third presidential debate will be rebroadcast on Saturday, October 23, at 8:00 p.m., with sign-language. The rebroadcast of the vice-presidential debate is scheduled for Saturday, October 16, at 8:30 p.m., with captions.

WEX

UNIQUE SURFACTANT assures superior results with ag-chemicals

WEX

- Makes water wetter
- Reduces foaming of ag-chemicals
- Helps suspend wettable powders
- Causes greater saturation
- Improves coverage and penetration
- Aids compatibility of specific ag-chemical combinations

Proven on millions of acres during five growing seasons

NUTRIENT RELEASE AGENT helps you feed your crops

- Wex helps your crop achieve its genetic potential by
- Releasing more soil nutrients
 - Increasing trace nutrient uptake
 - Enhancing fertilizer activity
 - Distributing nutrients throughout the root zone
- Thereby increasing your real yield at harvest

Like all living things your crops should be fed properly

Lickin' Good

Nutrena Controlled Release CLS—so different, it's patented

Your cattle will like Nutrena Controlled Release CLS and you'll like the benefits behind this new development in liquid supplements. The patented process controls the release of protein-building ammonia nitrogen in the rumen compared with a conventional urea-based liquid supplement. This improves the feeding efficiency of the urea. And, the slow-down

means an extra margin of safety from urea toxicity—that's important when self-feeding liquid supplement.

Nutrena Controlled Release CLS liquid supplement—a product of Cargill research. It's great for dairy herds as well as beef cattle on range, pasture, stalks, stubble or in the feedlot.
