FANTASTIC!

That's what the truth is - FANTASTIC!

Sometimes we find the truth almost unbelievable. Just think - when did we ever have a President and Secretary of Agriculture both farmers? - FANTASTIC!

What an opportunity for us farmers to gain the faith and trust we are entitled to from our consumers and the world at large. I'm sure farmers are going to be treated like the world feeders they are - so let's support our President and Secretary of Agriculture and I'm confident we will be supported with the right kind of legislation we deserve

CONFIDENCE - that's what we need.

We here at Cecil Dairy Service are trying to gain your confidence by selling and servicing the No. 1 in its field BADGER - DELAVAL - and MADISON SILOS. Just give us a chance.
