CATERPILLAR ENGINES

ds,
7600's . .

210 hp Caterpillar diesel provides plenty of power to the big-capacity cutting assembly and hydrostatic ground drive.

Deluxe Command Post cab offers all-tinted glass, excellent visibility, quiet operation and convenient controls.

Componentized Construction allows easy replacement of major components—adding years to the useful life and thousands of dollars to the trade value of the 7600.

FIELD QUEEN

Nine multi-crop attachments give the 7600 year-round versatility.

Positive feeding 30- and 38-inch low profile heads give smooth operation with fewer moving parts for minimum maintenance.
