

MUSTANG Sale

Jan. 19, 20, 21, 22. Special factory purchase.
Prices will never be this low again. Really.

Four days of low prices on Owatonna Mustang Skid Steer loaders. America's finest. If you have been kicking tires and checking features on other brands, you know Mustang is superior, and the price proves it. If the cost of the best has been holding you back, check our prices. You'll be a Mustang owner.

Nobody but nobody knows skid steer loaders like we do. Walk through our service and parts departments. The finest facility in central Pennsylvania.

All we changed was the name. The most important part is still the same. The people. Everything that Equipment was, still is:  same know-how, same product, same owners, same location and phone. And more, new prices.

Plus, special prices on all new Mustang models. Ask, you'll be impressed. Because of our extremely low prices, no trade-ins can be accepted during this sale.

Nice price. But how much for the extras? Unlike lots of dealers who quote low and stick you with the "extras", which are really basic necessities, our price includes all standard features —

- Neutral start interlock
- Service and parking brake
- Fast-a-tach
- Roll bar with top and side screen
- Boom locks
- Hydrostatic transmissions

Plus, bucket, boom, tires and freight. You can take one home; it's ready to use.
