**Check our deal
on corn herbicides**

When you're ready to plan for this year's corn crop, come see us. We'll work with you to lay out a program to help you grow a good crop. Picking the best herbicide has got to be at the top of your list.

Chances are the best herbicide for you is liquid AAtrex® 4L. It's so easy to use, and so dependable. Gives you the kind of weed control you're after. Of course you shouldn't overlook cost per acre, especially this year. That's why we think you should check our liquid AAtrex 4L program before you put your money on the line.

We think we've got a deal you won't turn down. Ask us about it.
