Power your dairy's vacuum system with the pump that's second to none:

# Alamo

Quiet running. Check valve prevents reverse operation.

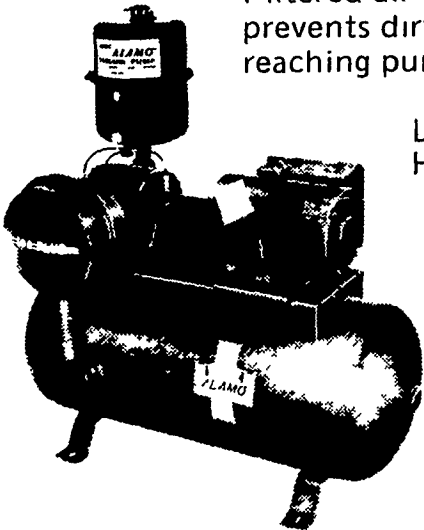

Exclusive Surge oil reclaimer recirculates up to 95% of oil.

Filtered air intake prevents dirt from reaching pump

Large oil reserve. Handy sight gauge.

Continuous flood-type lubrication, greater efficiency and longer life.

All Surge vacuum pump motors carry a two-year guarantee.

There's one for every milking system

## UDIA to convene

ORLANDO, Fla. - More than 600 dairy industry leaders and their guests will gather at the Orlando Hyatt House, Orlando, on March 13-16, 1977, for the sixth annual meeting of the United Dairy Industry Association's (UDIA) House of Delegates and operating organizations. "Unity Equals Cooperation" will be the theme of the business sessions. This theme describes the spirit in which UDIA carries out a total promotion effort for United States produced dairy products through the diversified programs of its operating arms. These include the advertising and sales promotion campaigns of American Dairy Association (ADA), product and process research and development work of Dairy Research Inc. (DRINC) and nutrition research and education programs of National Dairy Council (NDC).
