A household word in Ireland where the use and technology of solid fuel has never ceased the incomparable Stanley is now available for the first time in America.

AMPLE COOKING SPACE An even heated oven large enough to roast a 25 lb. turkey and a finely finished cast iron hot plate that accommodates the everyday needs of most families.

VERSATILITY Wood, coal, coke, anthracite or peat all give excellent results. The optional hot water unit provides a large reserve of piping hot water while radiant heat provides a gentle warmth to your kitchen. It's virtually 3 units in 1 that offers cooking, hot water, and room heat.

EASY TO CLEAN Stanley's beautiful vitreous enamel finish needs no polishing — a quick wipe over does the job. Inside the constantly heated oven is virtually self-cleaning.

FUEL ECONOMY Stanley's large airtight firebox maintains a fire for hours — even overnight. Twice a day fueling is economical and convenient.

Invest in a lifetime of comfort and service with a Stanley Kitchen Range — quality crafted by Waterford Ironfounders Ltd. Write for the name of your local dealer!
