

Tree seedlings offered

SPRING GROVE, Pa. - Landowners are reminded that there is still time to plan for tree planting to be done in the Spring of 1977. The Glatfelter Pulp Wood Company, here will share, on a 50-50 basis, the cost of seedlings with interested

landowners. Since the inception of the Company program in 1951, more than 16 million seedlings have been furnished to landowners in these 13 south-central Pennsylvania counties: Adams, Berks, Chester, Cumberland,

Dauphin, Franklin, Fulton, Juniata, Lancaster, Lebanon, Perry, Schuylkill and York.

Tree seedlings available this year under the Glatfelter program are Austrian pine, Virginia pine, and Japanese larch. Orders are filled on a first-come, first-serve basis so it is important to get orders in early. All seedlings are furnished by the Pennsylvania Depart-

ment of Environmental Resources. The Glatfelter Company imposes no restrictions of any kind, but landowners planting these trees must comply with state regulations regarding these trees. For example, they may not be used for Christmas trees, decorative or ornamental uses or for windbreakers. Minimum order acceptable is for 1,000 seedlings, which will plant

1½ acres. All trees become the property of the landowners who may cut them at a future date for any wood product.

For information about placing your order, see your county agent, your Bureau of Forestry District Office or write directly to The Glatfelter Pulp Wood Company, Spring Grove, Pennsylvania 17362.
