

\$250,000 needed for new firehouse

WILLOW STREET, Pa. - The Willow Street Fire Company is conducting a fund raising campaign aimed at financing the construction of a new five double-bay firehouse at Firemen's Field, Hilda Avenue and Route 272. The minimum goal of the campaign is \$250,000.

Advanced Gifts from professional and business leaders for top pace-setter

subscriptions are payable over a three year period. "Founder" subscriptions are also payable over a three year period. In making the announcement, Stanley Haverstick, president of the Fire Company, said: "We are looking forward to a total involvement and commitment by community leaders and families. This program is a "once in a lifetime" challenge for the entire community designed to provide more adequate fire protection and life saving services to every family and business in the area. With the enthusiastic support by the community, I know we will be successful."

Haverstick continued: "The building will be very functional with a meeting-training room slightly larger than the middle bay of our

present fire house where the ambulance is now housed. Floor radiant heat will de-ice all equipment at 55 F. and keep the volunteers - both on alert and returning from emergencies - warm. The offices for the president and the fire chief will be modest. The building is designed as a command and disaster center - but without luxury. Number 2 fuel oil will run the fire engines as well as heat the firehouse. The furnace is convertible to gas-hot air. Solar energy was considered but rejected based on costs at this time. The building will enable the fire company to give the greatest protection possible to the businesses and families of the Willow Street area at the lowest possible cost - with full consideration to the use of energy," said Haverstick.

YOU CAN OWN A WESTERN AUTO STORE IN:
LITITZ, PA.
CARLISLE, PA.
MIDDLETOWN, PA.

There is an opportunity available in the above towns for a Western Auto Associate Store selling hardware, sporting goods, automotive supplies, furniture, refrigerators, freezers, washers, televisions, CB's, radios, other electronics, etc. We will train you, help install your store and provide counseling after you're open. Craft classes set for March

QUARRYVILLE, Pa. - Craft classes for adults as well as children will be held during March at the Southern Lancaster County Library Center, 304 St. Catherine St., Quarryville. Classes held for adults have been so popular, that Fern Entekin, library center coordinator, hopes area

children ages 11 - 15 will also take advantage of the newly offered programs.

Mrs. Doris Groff will instruct interested persons in the art of fabric painting. Children's classes will be taught on Saturdays from 10 a.m. to noon. Fabric painting will be offered on March 19 and 26. Adult classes will be

taught Wednesday evenings from 7 to 9 p.m. Fabric painting is set for March 23 and 30.

Class sizes are limited to allow more individualized instruction. Persons interested in participating should register at the library center.

For further information, contact Ms. Entekin at the Southern Lancaster County Library Center, 786-1336.
