

Cloister celebrates

By DIETER KRIEG
MOUNT AIRY, Pa. — With the largest number of Keystone Degree recipients in the state this year, as well as several state and national recognitions, the Cloister FFA Chapter celebrated its triumphs here last Friday at its 15th annual awards banquet.

A tableful of plaques and trophies awaited members of the Chapter as an estimated 200 guests and parents anticipated the honors for their sons and daughters. Held at the fire hall, here, the dinner and program continued for three hours, with the awards presentations and a slide show being highlights of the evening.

Taking one of the top awards was Jay Oberholtzer of Lititz R4, whose farming operation gained recognition for outstanding bookkeeping. The enterprising senior had his work proclaimed as best in the state and was given a \$200 check from the Production Credit Association. LANCASTER FARMING featured

Oberholtzer week which page 121. Eight other winners were named in the competitive National Inter-Venture Contest to judge the big milk production contest, and Dan Oberholtzer participated in the contest. Tony El Martin of Springfield, current school milk and cheese champion, respectively. FFA Dairy Production Contest winner, John Weller, opportunity to win the title of the national champion of the world. Steve Strickland, the Foundation sheep producer, presided over the evening.
