ATTENTION CORN GROWERS!

It's corn planting time again, we have fine quality seed corn to offer this year. If you pick and shell, we invite you to try 80-X or 790-A both are medium season. If you like full season try PA-8703 or 861 Both did extremely well last year. 806 has been a well liked hybrid for many years. For silage we recommend 900 with lots of grain. Prices range, \$19 - \$23 in flats and rounds from \$11 - \$19. We give quantity discounts. We have been growing seed corn for 30 years. We also have oats, clover and alfalfa seeds. We also sell Atrazine Princep and other spray materials.
