A household word in Ireland, where the use and technology of solid fuels has never ceased, the incomparable Stanley is now available for the first time in America

AMPLE COOKING SPACE An even heated oven large enough to roast a 25 lb turkey, and a finely finished, cast iron hot plate that accommodates the everyday needs of most families

VERSATILITY Wood, coal, coke, anthracite or peat all give excellent results. The optional hot water unit provides a large reserve of piping hot water while radiant heat provides a gentle warmth to your kitchen. It's virtually 3 units in 1 that offers cooking, hot water, and room heat

EASY TO CLEAN Stanley's beautiful vitreous enamel finish needs no pampering - a quick wipe-over does the job. Inside, the constantly heated oven is virtually self-cleaning

FUEL ECONOMY Stanley's large airtight firebox maintains a fire for hours - even overnight. Twice a day fueling is economical and convenient
