WATER WATCHER

PUT A RITCHIE FOUNTAIN IN CHARGE OF YOUR HERD'S WATER.

Ritchie fountains keep plenty of water in front of your cows, day in, day out...automatically.

Big-throat, rust-free valves dish it out fast, and Ritchie's reliable heating system keeps water ice-free on the coldest winter days.

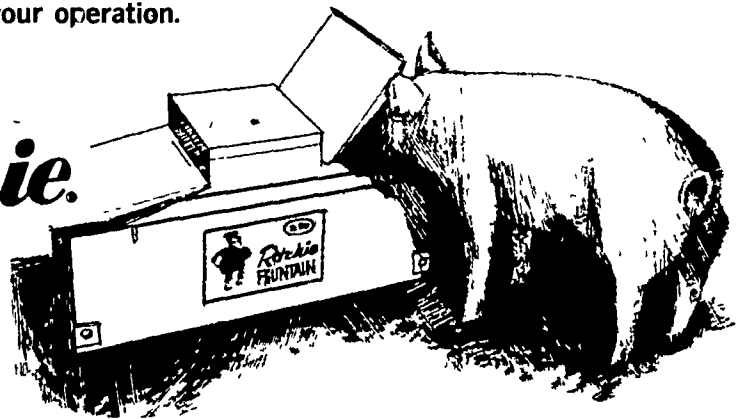

With the CD-50 epoxy finish over heavy-gauge galvanized steel, Ritchie premium fountains are standing up to many more years of abuse from livestock and weather.

Why take chances on an old watering system? There's a Ritchie fountain that's right for your operation.

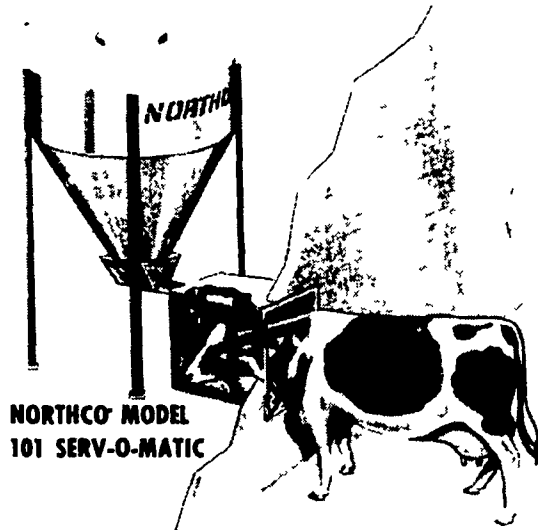

Relax...

Ritchie.
