counties report 84 per cent sown and the north stands at about 58 per cent completed. Most reports say the crop is looking good.

Potato planting, at 39 per cent statewide, is about a week behind the 44 per cent reported planted last year at this time. Southern counties stand at 69 per cent completed with some coming through, while central counties report 34 per cent and northern counties 12 per cent completed.

Corn planting moved up to seven per cent complete statewide, about a week behind last year's 18 per cent. Scattered fields are reported planted in the cu. refrigerator; 18 pound north, with six per cent in washer; electric 30" tri-level central and 12 per cent in range; 40" electric range; southern counties now planted.

Barley and wheat are beginning to enter the boot Business Opportunities stage in southern counties. Conditions are reported good An exceptional business for most, with some scat- opportunity in Rome, Pa. tered reports of poor looking crops.

Pastures are rated as providing average to slightly below average amounts of feed. Condition is considered generally good, with more cows being put out to pasture. The week's rain should speed up what had

RRISBURG - Rainfall per cent sown, central been somewhat slow growth of hay and pastures. There is evidence of weevil activity increasing.

Asparagus is being harvested. Most strawberries have been planted with some frost damage reported.
