MUNCY CHIEF HYBRIDS

MUNCY, PA 17756

ALL AIR-COOLED DIESEL ENGINES ARE NOT CREATED EQUAL.

It's easier to call an engine "heavy duty" than it is to build it that way. Superior performance and long life are the result of special alloy heads, integral lube coolers, oil-cooled pistons, and the Deutz highly efficient axial-flow cooling blowers. These features plus 100% direct air-cooling result in substantial fuel savings — 20 to 40% according to users — and far less pollutants. Deutz air-cooled diesels — 5 to 500 bhp

DEUTZ
AIR-COOLED DIESELS

- We stock rebuilt: starters, generators, injectors, for Deutz
- We have complete road service since 1955
- We supply free application engineering
- We have facilities for any mechanical fabrication required to apply new Deutz diesels
