1. Lee Fiches, Case 970 197' 9-1/2"; 2. Harry Barrich, White 2-150, 191' 5".

THE BLIND ARE HEALED

And when Jesus departed thence, two blind men followed him, crying, and saying, Thou son of David, have mercy on me.

And when he was come into the house, the blind men came to him: and Jesus saith unto them, Believe ye that I am able to do this? They said unto him, Yea, Lord.

Then he touched their eyes, saying, According to your faith be it done unto you.

And their eyes were opened; and Jesus straitly charged them, saying, See that no man know it.

St. Matthew 9:27-30

Agitating and pumping manure from an open pit is an easy task for the Nesseth Pit Pump. Simply, back up to the pit, lower the pump into the manure, and you're ready to agitate. This powerful pump has enough thrust to break up the thickest crust and it has a specially designed auger with cutting knives to shred solids. After the manure is fully agitated into a slurry, this same dual purpose pump is used to fill your spreader tank - and it's all done without leaving your tractor. Nesseth offers two heavy-duty models, the 520 and the 524. Both are designed for high volume and easy mobility.

THERE ARE MORE NESSETH PIT PUMPS IN OPERATION THAN ALL OTHER MAKES PUT TOGETHER.
