

Ida's

Notebook

Ida Risser

about the sweetness of our nice berries. However, we learned at the Show that they should have been more firm. I suppose, since they are held several days or more in stores, they must be picked less ripe.

The boy who won first prize had his box auctioned off for \$50.00. Cindy was glad to get \$10 a box for her berries.

She says that she is tired of strawberries but when I make a big delicious strawberry pie, she always wants her share of it.

xxx

This year Allen bought a no-till corn planter and used it to put in corn after the first cutting of hay was baled.

It is difficult for me to accept the idea that he can drive through the alfalfa fields and plant, then spray and raise a corn crop without tilling the soil.

Guess, I'll have to wait and see it to believe it. It had

has been a good strawberry season for us. I had the patch as a 4-H project and by this time is getting tired of picking them. I was delighted to pick my first red berry May 15 but some 200 boxes later, I also be delighted to see my last berry. This is the first year she

showed at the 4-H Strawberry Round-up sponsored by the Lancaster Rotary Club. Everything is a learning experience and this was no exception. You see, we always pick our berries very ripe and deliver them to homes within a few hours of when they are picked. Our customers always rave

Women's Calendar

meeting at noon for a luncheon for members and friends. The group will tour "White Chimneys."

Boots and Saddle

Members of the Boots and Saddles 4-H Club learned how to properly wrap a horse's feet and legs for shipping. Guest Speaker Sue McCoy, Mount Joy, demonstrated using an ace bandage to give the legs support while being worked. She stressed that improper wrapping for shipping can do more harm than good.

Sandy Hamilton, Lampeter, gave a demonstration on the proper training of a halter horse.

The club will meet July 8 at the home of Chuck and Sandy Sammons, Neffsville.
