

Red Holstein is champ

[Continued from Page 96]

Two Year Olds

1. Kirby Horst, 2. Jay Kreider, Palmyra; 3. Roy Shirk, Lebanon.

Three Year Olds

1. Alan Hostetter, Annville; 2. Scott Balsbaugh, Lebanon;

Four Year Olds

1. Dennis Wenger, Jonestown; 2. Ray Moyer, Lebanon.

Aged Cows

1. Jay Kreider, 2. Gary Lentz.

In dam and daughter pairings, Jay Kreider's

animals stood first, while Ray Moyer was second. The club herd honor went to Annville-Cleona, with Norlebo standing second and Cedar Crest third.

This year's 4-H Holstein show had 56 animals entered. In the FFA contest, there were 46.

Junior champions in the 4-H Holstein show were exhibited by 11-year old Dale Weaver of Myerstown and Rick Horst, 16, of Newmanstown. Both are members of the ELCO 4-H Club. Horst's entry, a senior yearling, was reserve champ.

Gary Lentz, 19, son of Mr. and Mrs. Ray Lentz, Lebanon R6, had the junior champion in the FFA Holstein show at the Lebanon Fair.

Kirby Horst, 18, of Newmanstown, was the champion showman of the FFA Dairy Show at the Lebanon Fair. He's the son of Mr. and Mrs. Irvin Horst.

Finalists named for Md. Porkecue

NORRISTOWN, Pa. - Members of 4-H throughout Montgomery County are busily preparing for their annual 4-H project fair to be held August 17 to 20 at the 4-H Center on Snyder Road, off Rt. 363, Lansdale.

"4-H FAIR - '77" offers these members a change to exhibit their completed project work. Numerous

events are planned for the three and a half day fair which is open to the public. Special features include exhibits, animal shows, live demonstrations, horse show, and youth activities.

The fair will open on August 17 at 7 p.m. with special ceremonies, guests, and the presentation of the 1977 outstanding 4-H boy and

girl. The evening events will include a horse production (mare and foal) show, steer show, swine awards program and project exhibits. The Center will close at 9:30 p.m. each night.

August 18 will start at 10:30 a.m. with the 4-H dairy show and an afternoon bicycle rodeo. The rodeo will start at 2:30 p.m. and will have divisions for 4-H and non-4-H youth. The dairy goat show will start at 3 p.m. The evening shows will include the sheep round-up and the horse grooming and showmanship contest. A large animal "Dress Revue" (costume class) will also be held.

August 19 will feature the 4-H rabbit show, starting at 9 a.m. Afternoon activities will include a pet parade open to all county youth. The 4-H family picnic will include a fun olympics, turtle races, pie eating contest, rocket launch and volleyball and horseshoe contests.

Other activities open to all include a "Make It and Take It" craft booth, pony and wagon rides (August 19) plus a petting zoo.

A schedule of events will be available at the 4-H Center during the fair. For more information, contact the 4-H office in Norristown (215-297-0574).

BOU-MATIC

DAIRY CLEANERS & SANITIZERS

BOU-MATIC ACID CLEANER—for safe, effective removal of all minerals. Added to rinse water it will prevent mineral build-up. May be safely used on any glass or stainless steel surfaces. Recommended for use on all milking machines, pipelines, tanks, etc.

BOU-MATIC ACID CLEANER HEAVY DUTY—Extra strength Acid Cleaner for those HEAVY DUTY jobs.

BOU-MATIC TEAT DIP—Kills Staphylococcus Aureus and Streptococcus Agalactiae, the causal agents in the majority of cases of infectious mastitis. Not only is it non-staining and non-irritating, but actually soothes because it contains soluble lanolin and glycerin.

BOU-MATIC UDDER WASH is a combination product for cleaning and sanitizing food handling or processing equipment. It also is an effective udder wash.

BOU-MATIC LOW ACID IODINE UDDER WASH—A safe, effective udder wash containing 1.75% available iodine. Uses a minimum amount of acid to still give effective sanitizing and yet be less irritating to the teats and udders.

BOU-MATIC SODIUM HYPOCHLORITE—Chlorine bearing germicide and disinfectant for sanitizing milk and food processing utensils and equipment.

BOU-MATIC PIPELINE CLEANER—A non-foaming, improved, chlorinated cleaner for automatic cleaning of pipelines, tanks, transfer systems and other food processing equipment.

BOU-MATIC MANUAL CLEANER—An economical, multi-purpose cleaner for hand washing operations. Recommended for cleaning milkers, inflations, tanks, strainers, etc. Use on dairy farms, in dairy plants and food processing plants.

BOU-MATIC LIQUID CLEANER—A liquid, non-foaming, highly alkaline, chlorinated cleaner. Highly effective in removing fatty and protein soils from food processing equipment. Since it is a liquid, it is highly suitable for automatic injection.

BOU-MATIC CHLORINE SANITIZER—A soluble, non-precipitating, stable chlorine sanitizer. Contains organic chlorine for increased stability and effectiveness in all pH ranges. Contains no calcium salts to leave residues on equipment. Not affected by hard water. Use any place where a chlorine sanitizer may be used (dairy farms, processing plants, restaurants, etc.).

BOU-MATIC BULK TANK POWDER—A soluble, stable powdered cleaner, chlorinated to increase protein removal capabilities. Recommended for manual washing of equipment. May also be used on outside of tanks, for cleaning strainers, buckets, pails, inflations, valves, etc.

BOU-MATIC LAUNDRY DETERGENT—A completely biodegradable laundry detergent for use in home washing machines. Safe for use on all fabrics and colors. Concentrated formula makes it economical to use.

BOU-MATIC LIQUID DETERGENT—An easy to use, economical, liquid detergent. Recommended for farms, homes and institutional cleaning. May be safely used on all surfaces, including dishes, utensils, automobiles, floors, etc.
