

# Walker goes 4 events in rodeo

WOODSTOWN, N.J. - Willie Ed Walker decided to go 'all the way' and entered all three riding events as well as the steer wrestling at the Cowtown Rodeo August 27. He marked a 64 in the bareback riding, winning first money. He marked a 46 in the Saddle Bronc riding placing third. In the steer wrestling, Willie was a fast 8.8, but soon found that it was not fast enough to place. Still trying in the bull riding he marked a 48, and didn't place.

Grant Harris won first money in the Saddle Bronc riding with a marking of 55, and came back in the bull riding to place third.

Stanley Thomas, marked a 72 in the Bull Riding with a ride on a very fast spinning bull taking home first money, making his total to date in the bull riding \$1078.98.

Joe Merola won the calf roping, typing his calf in 15.7 seconds, adding to his winnings, now totaling \$1669.92.

Harry Gerhardt won the Steer Wrestling with a fast 6.6 winning time.

Lorraine Alexander watched 27 other barrel racers make good times and then came out to run the clover leaf pattern in a very fast 17.3 seconds, winning and making her total prize money to date \$2106.48.

A crowd of over 3500 watched 104 cowboys and cowgirls work their hardest for \$3057.60 in prize money.

Ad added attraction at the Cowtown Rodeo this week was Bunky Boger with his trained Buffalo, Cody, his horse Kalija and Collie.

With only one more Rodeo at Cowtown things are shaping up toward the buckle winners this season. Lorraine Alexander, with \$2106.48 will take home the Girls Barrel Racing, and Joe Merola, with \$1669.92 will get the Calf Roping. Grant Harris should get the Saddle bronc with \$869.99. Stanley Thomas will be hard to catch in the Bull riding with \$1078.98, but there is a close race in the Bareback riding between Stanley Thomas with \$1162.34 and Jimmy Lee Walker \$1118.72, and the Steer Wrestling is as close with Chris Gerhardt's \$952.81 and Sherman Shidner's \$920.88.

Saturday Sept. 3 will be the final Rodeo of the 1977 season at Cowtown.

Complete results follow:
