

Take the lid off your milk production with Wayne 38% Dari-Blen

Because it takes more than just a protein number to supplement your hay or silage, you could be keeping a lid on your milk production. Now you can take the lid off, and boost your milk production with Wayne 38% Dari-Blen.

Fed according to a Wayne Maximizer analysis, now computerized in Maxine, Wayne 38% Dari-Blen has boosted production in herds like yours over 20%! This kind of analysis takes full advantage of the 100% natural protein in 38% Dari-Blen. It sets feeding levels that speak for themselves in the individual weigh jar

and in your bulk tank. Ask your Wayne Feeds dealer for Wayne 38% Dari-Blen and a Maxine analysis to go with it. Take the lid off your milk production, and, to increase the intake and production of your high energy feed, use Wayne Sweet Bulky. Remember, ingredient variety is the key to palatable rations. The sweet tasting feed of Wayne Sweet Bulky is consumed best.

Wayne Feeds dealers are also dog and horse feed specialists.

WAYNE PRO-MIX

Provides complete and balanced nutrition for your dog.

You'll never go wrong with Power Pack.

Wayne Power Pack is an economical, high energy building feed. It provides what hay or pasture alone lacks. The perfect choice for horses saddled up just two or three times a week.
