Profitable farming requires a powerful tractor. That's where our new tractors come in. The new 90-hp 4040, 110-hp 4240, 130-hp 4440, 155-hp 4640 and 180-hp 4840 deliver new power at every point—more power to the PTO, more pulling power at the drawbar, more lifting power at the 3-point hitch and more capacity from the closed-center hydraulic system. More farm muscle for more farm profit. Stop by for more details on the tractors with more horses and more iron.
