**WANTED:**

tractor dealers to make and sell profit!

Case Franchises Available in The Reading & Everett, Pa. Areas.

When you're selling farm machinery, your customers rightfully demand products that will turn them a profit. And being a businessman, you in turn expect a profit from your services.

You both profit with a Case tractor franchise. As a Tractor Specialist, you will sell 14 sizes of farm tractors and a line of heavy-duty tillage tools. Period. You needn't scatter your selling power over the full range of farm machinery. Your service shop is expert on one commodity: farm power. Your parts inventory is cleaner and more financially manageable. Your used equipment lot consists largely of faster moving used tractors.

Light construction power too if the Case utility tractor franchise is available in your territory. Call or write us. We'll be glad to outline the full potential of a Case franchise in your area.
